STANDARDS	Fabric: ☑ EN 531:1995 A, B2, C1, D1 and E1.

WARNING: READ BEFORE USING THIS PRODUCT

This product must be used as part of an appropriate set of PPC and PPE to protect against the hazards of molten metal splash. There may be exceptional cases in which even the best protection is not enough to prevent the harm caused by molten metal splash or the related effects, and although the product meets statutory and industry specifications, the use of this product does not guarantee that the product will provide complete protection in those exceptional cases. If you are in doubt or do not fully understand these limitations, contact the manufacturer for full information.
